Demolition Update

10 DAY LOOK AHEAD: Transbay Demolition and Construction Activities

Friday, December 3, 2010 – Sunday, December 12, 2010

THIS WEEK AT TRANSBAY...

WEEKEND WORK: This weekend, the demolition contractor will continue demolition of the old Terminal building using the wrecking ball from 7:00 AM to 11:00 PM on both Saturday and Sunday. The contractor does not anticipate working between 11:00 PM and 6:00 AM. However, if additional work is required, **it will not include jack hammering, wrecking ball or other excessive noise producing activities.**

This weekend, the Temporary Terminal contractor will perform work on the Howard Street sidewalk between 7:00 AM and 6:00 PM.

Please Note: As previously noticed, Natoma Street, between First and Fremont Streets, has been reduced to one single west bound lane. The contractor will work with neighboring tenants to accommodate all deliveries.

WEEKDAY WORK: Weekday work between Monday, December 6, 2010, and Friday, December 10, 2010, will focus on the continued demolition of the old Terminal building using the wrecking ball. The contractor will work between the hours of 7:00 AM and 11:00 PM. Lane restrictions will remain on Minna and Natoma Streets.

The Temporary Terminal contractor will perform work on the Beale Street median island between the hours of 7:00 AM and 4:00 PM.

The Utility Relocation Contractor will be working 7:00 AM to 5:00 PM and will continue potholing on Minna Street.

STREET AND SIDEWALK CLOSURE: None.

WHAT TO EXPECT NEXT WEEKEND (12/10-12/12): The final build-out of the Temporary Terminal Phase 2 configuration will be complete and go into operations for AC Transit on Saturday December 11, 2010 and for Muni on December 16, 2010. For more information, visit: www.transbaycenter.org/demolition

Next weekend, the contractor will continue demolition of the old Terminal building using the wrecking ball between the hours of 7:00 AM and 11:00 PM.
