1. INTRODUCTION

The Webcor/Obayashi Joint Venture issues this Request for Proposals (RFP) for ON-CALL TRAFFIC CONTROL PROFESSIONAL SERVICES for the Transbay Transit Center Project from firms or individuals (Trade Subcontractors) with expertise in Traffic Control Engineering services. The successful Trade Subcontractor must demonstrate experience in its respective field as outlined within this RFP.

Based on its evaluation of the Proposals received in response to this RFP, Webcor/Obayashi Joint Venture may select more than one Trade Subcontractor to enter into negotiations for a Subcontract agreement. The selection of any Trade Subcontractor for negotiations shall not imply Webcor/Obayashi Joint Venture's acceptance of all terms of the Trade Subcontractor's Proposal; terms may be subject to further negotiation. Webcor/Obayashi Joint Venture shall have no obligation unless and until a final agreement is entered into by the parties following approval by the Transbay Joint Powers Authority (TJPA) Board of Directors (TJPA Board).

Once the agreement is executed, Webcor/Obayashi Joint Venture will require the selected Trade Subcontractor(s) to perform the Services upon Webcor/Obayashi Joint Venture's request. The agreement will be for a period not to exceed seven (7) years, although Webcor/Obayashi Joint Venture will have the option to extend the term by a total of two (2) individual one (1) year periods, by mutual agreement of the parties.

There is no guarantee that the Webcor/Obayashi Joint Venture will issue any Notice to Proceed (NTP) and Webcor/Obayashi Joint Venture may terminate the Agreement at any time.

2. KEY DATES

Each Trade Subcontractor shall submit their Proposals and other applicable sections and forms as required herein.

Last Day for Questions: Questions or clarifications regarding the RFP must be submitted in writing no later than **2:00 pm on February 4, 2011** to Webcor/Obayashi Joint Venture, 183 Fremont Street, San Francisco, CA, 94105, via email (TransbayBidding_TG05@webcor-obayashi.com) or fax at (510) 476-3005. Answers will be posted on the TJPA website (<http://transbaycenter.org/> > TJPA > Doing Business with the TJPA > Current Contract Opportunities).

Pre-Proposal Meeting: An optional pre-proposal conference for Trade Subcontractors interested in submitting RFPs will be held on **January 20, 2011**, at **10:00 am** in the **TJPA offices at 201 Mission Street, Suite 2100, San Francisco, California 94105**.

Attn: Tim Maxwell
183 Fremont Street
San Francisco, CA 94105

Responses to this RFP that are not received by the time and date specified, do not contain all the required information and completed forms, or do not meet all minimum qualifications (see Section 5) shall be deemed non-responsive and rejected without consideration.

Trade Subcontractors may obtain copies of this RFP by downloading the document from the TJPA website: <http://transbaycenter.org/tjpa/doing-business-with-the-tjpa/current-contract-opportunities>).

TJPA Board Vote to Approve the Contract Award: March 10, 2011

Notification of Intention to Award Contract: On or about March 4, 2011

3. COMMUNICATION WITH WEBCOR/OBAYASHI JOINT VENTURE

At no time during the proposal process (defined as the time between issuance of this RFP and award of Trade Subcontract) shall prospective Trade Subcontractors contact any person(s) or staff of the TJPA Board of Directors, the TJPA, TJPA Program Management/Program Controls (PMPC) team (URS), Construction Manager/General Contractor (CM/GC) Webcor/Obayashi Joint Venture, CM Oversight (CMO) (Turner Construction), the Architect (PCPA or any subconsultant to PCPA), or other TJPA Consultants regarding this RFP. The only contact is for submission of questions using the contact directions below.

Trade Subcontractors shall submit questions using the Question On Proposal Documents (QPD) form through Webcor/Obayashi Joint Venture. Refer to the Request for Proposal Manual for the QPD form.

Primary: E-mail Webcor/Obayashi Joint Venture at TransbayBidding_TG05@webcor-obayashi.com.

Alternate: Fax Webcor/Obayashi Joint Venture at (510) 476-3005.

4. SCOPE OF SERVICES

4.1 Package Scope Summary

Trade Subcontractor will furnish all engineering services (collectively called the “Work”) required to complete Project Work in accordance with Contract Documents and Field Direction. The Trade Subcontractor is recognized as a professional Trade Subcontractor and is required to provide a complete scope of work, including any items not shown in the Contract Documents which are typically included in this scope of work. The Work to be performed by the Trade Subcontractor includes, but is not limited to, the following:

Prepare, coordinate, review and incorporate all project traffic control plans sequentially produce by this, and all other, Trade Subcontractors into a global traffic control management plan and supervise all aspects of traffic control implementation including, but not limited to, traffic control design oversight, coordination between project phases requiring various traffic control plans, planning and field logistics oversight, Code and Ordinance compliance oversight, field reporting management, and assist with all planning, permitting and enforcement aspects with all related Governmental and/or Jurisdictional Agencies.

4.2 General Work

The Trade Subcontractor Work Requirements as established in the Request for Proposal Manual are clarified, modified and supplemented by the following information. If any conflict between this document and the Request for Proposal Manual exists, the more stringent will apply as determined by Webcor/Obayashi Joint Venture. All necessary work from mobilization to final completion shall be included in the scope of work.

Provide engineering and management consultation and field supervision of various subcontractor traffic designs, permitting, and ongoing traffic control implementation in accordance with all jurisdictional laws, codes and ordinances including, but not limited to, the following:

- 4.2.1 Pre-Construction Coordination: Trade Subcontractor will meet with Webcor/Obayashi Joint Venture no more than 20 business days after contract award regarding project planning and protocol.
- 4.2.2 Providing consulting services for the entire duration of Webcor/Obayashi Joint Venture project ending in Q4 2017.
- 4.2.3 Review all trade subcontractor traffic control plans for specification 01 15 70 and jurisdictional code/ordinance compliance and provide professional opinion, reports and/or traffic control design assistance as directed by Webcor/ Obayashi Joint Venture.
- 4.2.4 Create and maintain a current Traffic Control composite plan that incorporates all traffic control plans. Composite updates shall be issued to Webcor/Obayashi Joint Venture after every approved and permitted trade subcontractor plan is issued for execution.
- 4.2.5 Provide traffic control plans on 'as-needed' basis per Webcor/Obayashi Joint Venture direction. Plans may be for coordination only or require City submission and permitting.
- 4.2.6 Interface with City agencies, including Department of Parking and Traffic (DPT), along with CMO and TJPA on an as-needed basis to ensure full compliance and smooth transitions between planned traffic control phases.
- 4.2.7 Provide safety assessments and recommendations whenever deemed necessary as a result of field activity observations or design peer reviews [traffic safety is paramount].
- 4.2.8 Provide regular site visitations to review traffic control site conditions and provide written observation reports on whether or not traffic controls are compliant. Site visits and reporting may increase in intensity at various phases of the project.
- 4.2.9 Provide traffic control field supervision services on 'as-needed' basis including provision of written observation reports (report types & function pending future development) on 'as-needed' daily/weekly/monthly basis as directed.
- 4.2.10 Attend traffic control meetings as directed.
- 4.2.11 Coordinate and interface with City and County Agencies (SFPD, SFFD, MTA, MUNI, DPW DPT, etc.) as needed for traffic plan approvals and implementation. Monitor and manage inspections sheet submissions (Specification 01 15 70/AT1-1).
- 4.2.12 Monitor and manage compliance of all Daily Traffic Inspection Reports per specifications. Collect & Log reports from all subcontractors involved with engineering and implementing traffic control plans. (Specification 01 15 70/AT2-1).

- 4.2.13 Monitor and manage compliance of all on site traffic control signage and ensure all Sign Inventory Forms are properly filled out and submitted per specification. (Specification 01 15 70/AT3-1).
- 4.2.14 All Communication shall be through Webcor/Obayashi Joint Venture unless directed otherwise.
- 4.2.15 At no time shall this Trade Subcontractor take direction and/or initiate any activity without written direction from Webcor/Obayashi Joint Venture.
- 4.2.16 Provide traffic monitoring services as directed. Level of monitoring requirements to be determined on a case-by-case basis.
- 4.2.17 Trade Subcontractor must be either a Civil Engineer or Traffic Engineer (registered in California) and possess a current C31 State of California Contractors License at all times.
- 4.2.18 When necessary for scope performance procure any/all permits and fees as required. All permit and fee expenses are reimbursable as specified.

5. SMALL BUSINESS ENTERPRISE (SBE) Goals

As allowed for under the TJPA Small Business Enterprise Program, this package has been set aside for SBE participation only. Trade Subcontractors are required to be a certified Small Business Enterprise (SBE) in order to propose for this scope of work. The SBE Program is further defined in contract specification section 00 08 21. If strategy includes using sub-tier Trade Subcontractors, those sub-tier Trade Subcontractors must be certified as SBE.

Questions Regarding SBE

Written questions concerning SBE and nondiscrimination requirements shall be on QPD forms and addressed to:

Email: transbaybidding_TG05@transbaycenter.org

6. PROPOSAL REQUIREMENTS

Submission of Proposals

Webcor/Obayashi Joint Venture must receive Proposals at the address identified in Section 2 Key Dates by the "Proposal Due Date". **This is a mandatory requirement and will not be waived by Webcor/Obayashi Joint Venture. Any Proposal received after this deadline will be rejected and returned unopened to the Trade Subcontractor.** Trade Subcontractors choosing to mail their Proposals must allow ample mail delivery time to ensure timely receipt of their Proposals. It is the Trade Subcontractor's responsibility to ensure its Proposal is received prior to the deadline. Postmarking by the due date will not substitute for actual receipt of the Proposal. Electronic mail and faxed Proposals will not be accepted.

Proposal Opening

Webcor/Obayashi Joint Venture will open Proposals after submission deadline has passed. Proposals will remain confidential until Webcor/Obayashi Joint Venture has reviewed all properly submitted Proposals and Webcor/Obayashi Joint Venture has issued a Notice of Intent to Award a Contract.

Amendment and Withdrawal of Proposal

The Trade Subcontractor may amend and resubmit its Proposal at any time before Proposals are due. The amendment must be in writing, signed by the Trade Subcontractor and received by the time set for the receipt of Proposals. Electronic mail and faxed amendments will not be accepted. If Trade Subcontractor wishes to withdraw its Proposal it must notify Webcor/Obayashi Joint Venture in writing prior to Proposal due date.

Proposal Clarification Process

Webcor/Obayashi Joint Venture reserves the right to contact Trade Subcontractors after Proposal submission for the purpose of clarifying a Proposal. This contact may include written questions, interviews, site visits, and/or a review of past performance. Webcor/Obayashi Joint Venture will not consider information received from or through Trade Subcontractor if the information materially alters the content of the Proposal or the type of goods and/or services the Trade Subcontractor is offering to Webcor/Obayashi Joint Venture. An individual authorized to legally bind the Trade Subcontractor shall sign responses to any request for clarification. Responses shall be submitted to Webcor/Obayashi Joint Venture within the time specified in the Webcor/Obayashi Joint Venture's request. Failure to comply with requests for additional information may result in rejection of the Proposal.

Costs of Preparing the Proposal

The costs of preparation and delivery of Proposals are solely the responsibility of Trade Subcontractors.

No Commitment to Contract

Webcor/Obayashi Joint Venture reserves the right to reject any or all Proposals received in response to this RFP. Issuance of this RFP in no way constitutes a commitment by Webcor/Obayashi Joint Venture to award a contract.

6.1 Written Submittal

Proposals shall adhere to the format and page limitations described in Section 6. The Fee Proposal and other documents required by Section 6.1.6 are not subject to page limitations. Proposals shall be printed on 8½ x 11-inch paper and use both sides of a page (each side counts against the page limit). Typeface shall be no smaller than 11 point; margins shall be no less than 1 inch. Elaborate brochures or other presentation materials are not desired and will not be considered in evaluating Proposals.

Proposals shall be organized in the following sequence:

6.1.1 - Introduction and Executive Summary (2 page limit) [5 points]

Submit a letter of introduction and an executive summary of the Proposal package. The introductory letter must be signed by a person or persons authorized to obligate the firm (or firms if a joint venture) to honor the commitments set forth in the Proposal package and to verify the accuracy of the information included in the Proposal package. Submission of the introductory letter will constitute a representation by the firm or joint venture that it is willing and able to successfully perform the Services, and that all information contained in the Proposal package is true, correct, and not misleading in any material way.

6.1.2 - Qualifications and Experience (8 page limit) [75 points]

Provide descriptions and summaries of the firm's capabilities and experience with emphasis on projects within San Francisco in the last 5 years. Describe all major projects relevant to this assignment within San Francisco, limiting each project to one page or less but clearly showing the extent and nature of the involvement of the key team members proposed for assignment to the Program (see Section 6.1.3). Examples should demonstrate experience with a variety of traffic control services.

Additionally, complete all items noted in **Attachment 1 – Essential Requirements Work Sheet** of this RFP. **Attachment 1** is scored with Pass/Fail and Point accumulation and constitutes 50 of the 75 points required under this Section.

6.1.3 – Proposed Staffing Plan (4 page limit) [25 points]

Describe the staffing plan to complete Proposed Services. Specifically, provide the name, title, business address, and phone number of key staff that would be assigned to provide Services along with qualifications and work experience of each such staff member, including brief résumés if necessary. (Note that the length of résumés may need to be shortened to avoid exceeding the maximum page limit established for this section.) Describe the role each staff member would play in providing Services. There is no restriction on where the Trade Subcontractor firm is headquartered; however, assigned staff must work out of offices within the nine-county San Francisco Bay Area, which are the counties of San Francisco, Alameda, Contra Costa, Marin, Napa, San Mateo, Santa Clara, Solano, and Sonoma, and be able to reach the project Jobsite in a reasonable amount of time when work is needed.

6.1.4 - Demonstration Traffic Control Designs (PDF on CD) [15 points]

Provide sampling from at least five separate projects within San Francisco of Traffic Planning and Permitting documents (see Specification Section 01 15 70 for reference).

6.1.5 - References (3 page limit) [10 points]

Provide current references that may be contacted by Webcor/Obayashi Joint Venture for at least five (5) recent clients (preferably for public agencies) for the Trade Subcontractor firm and assigned key staff. Include the reference name, position, agency, address, telephone number, email, and specific project for each reference. Trade Subcontractors providing references that do not respond to a Webcor/Obayashi Joint Venture request for a reference may be scored lower or zero in this category.

6.1.6 - Fee Proposal

Each Trade Subcontractor shall submit one (1) sealed copy of its internally formatted Fee Proposal detailing the billing rates for direct labor, labor overhead and other direct costs for any Trade Subcontractor and sub-tier Trade Subcontractors listed in the Proposal and for all other staff included in the Trade Subcontractor's organization that will be performing the services described in Section 4.0. The following information shall be included:

- For each firm, including each sub-tier Trade Subcontractor, provide comprehensive hourly rates by crew rates where applicable (2 or 3 man crews, etc.), management, technical or professional staff and direct current hourly rates by position for support personnel. Note: if comprehensive crew rates include cost beyond direct employee cost, provide detailed explanation of everything included in the hourly rate.
- For each firm, including each sub-tier Trade Subcontractors, a list of estimated expenses (i.e., vehicles, equipment, printing, etc).

The Proposal shall include contract pricing applicable for the **entire contract period**, including option years. Clearly define all cost escalations on a yearly basis (example: Rates for July 1, 2010 through June 30, 2011, etc).

Fee Proposal shall remain sealed until a Trade Subcontractor is selected and contract negotiations begin. The sealed information of the highest-ranking Trade Subcontractor will be opened at the time the Proposer is selected and asked to enter into negotiations with Webcor/Obayashi Joint Venture. The Fee Proposal will be used as the basis for negotiation. Webcor/Obayashi Joint Venture reserves the right to reject any fee structure deemed non-responsive to this request. The price information of Trade Subcontractors not invited to negotiate will be returned unopened.

Proposal Check List

Trade Subcontractors shall submit their proposals in accordance with RFP submittal requirements. Trade Subcontractors shall refer to the Attachment 2 – Proposal Checklist contained herein for submission requirements.

Rejection of Proposals

Trade Subcontractors must furnish all information necessary to enable Webcor/Obayashi Joint Venture to evaluate Proposals. Oral information provided at time of proposal submission by any Trade Subcontractor shall not be considered part of the Trade Subcontractor's Proposal. Proposals that fail to meet the mandatory requirements of the RFP will be rejected outright and Webcor/Obayashi Joint Venture will not evaluate a Proposal for reasons including and without limitation:

- Failure to deliver Proposal by the specified deadline and per Submittal Procedures established under **Section 10**.
- Proposal that is incomplete or does not meet minimum qualifications.
- Failure to deliver the cost proposal in a separate envelope (See Section 6.1.6).
- The Trade Subcontractor acknowledges that a mandatory requirement of the RFP cannot be met.
- The Trade Subcontractor's Proposal changes a material requirement of the RFP or the Proposal is not compliant with the mandatory requirements.
- The Trade Subcontractor's Proposal limits the rights of Webcor/Obayashi Joint Venture.
- Failure to include information necessary to substantiate compliance with RFP requirements.
- Failure to timely respond to Webcor/Obayashi Joint Venture's request for information, documents, or references.
- Failure to include any signature, certification, authorization, stipulation, disclosure or guarantee as provided in **Section 6 and Attachment 1** of this RFP.
- Failure to submit a completed proposal check list - **Attachment 2** of this RFP.
- The Trade Subcontractor presents the information requested by this RFP in a format inconsistent with the instructions of the RFP or otherwise fails to comply with the requirements of this RFP.
- The Trade Subcontractor initiates unauthorized contact regarding the RFP with Webcor/Obayashi Joint Venture or TJPA employees.
- The Trade Subcontractor provides misleading or inaccurate responses.
- There is insufficient evidence (including evidence submitted by the Trade Subcontractor and evidence obtained by Webcor/Obayashi Joint Venture from other sources) to satisfy Webcor/Obayashi Joint Venture that the Trade Subcontractor is a Responsive Trade Subcontractor.
- The Trade Subcontractor alters the language of form or attachment within this RFP.

No Conflict of Interest

Webcor/Obayashi Joint Venture shall disqualify any Trade Subcontractor to this RFP that has a conflict of interest under Section C8.105 of the San Francisco Charter, Government Code Section 1090, et. seq., the Political Reform Act (Government Code Section 87100 et. seq.), or any other applicable conflict of interest laws. Any false, incomplete, or otherwise unresponsive statements made in connection with a proposal may be cause for its disqualification at Webcor/Obayashi Joint Venture's sole discretion.

Nonmaterial Variances

Webcor/Obayashi Joint Venture reserves the right to waive or permit cure of nonmaterial variances in the Proposal if, in the judgment of Webcor/Obayashi Joint Venture, it is in Webcor/Obayashi Joint Venture's best interest to do so. Nonmaterial variances include but are not limited to: minor failures to comply that do not affect overall responsiveness, that are merely a matter of form or format, that do not change the relative standing or otherwise prejudice other Trade Subcontractors, that do not change the meaning or scope of the RFP, or that do not reflect a material change in the requirements of the RFP. In the event Webcor/Obayashi Joint Venture waives or permits cure of nonmaterial variances, such waiver or cure will not modify the RFP requirements or excuse the Trade Subcontractor from full compliance with RFP specifications or other Contract requirements if the Trade Subcontractor is awarded the Contract. The determination of materiality is in the sole discretion of Webcor/Obayashi Joint Venture.

Reference Checks

Webcor/Obayashi Joint Venture reserves the right to contact any reference to assist in the evaluation of the Proposal, to verify information contained in the Proposal and to discuss the Trade Subcontractor's qualifications and the qualifications of any Trade Subcontractor identified in the Proposal.

Information from Other Sources

Webcor/Obayashi Joint Venture reserves the right to obtain and consider information from other sources concerning a Trade Subcontractor, such as the Trade Subcontractor's capability and performance under other contracts, the qualifications of any Trade Subcontractor identified in the Proposal, the Trade Subcontractor's financial stability, past or pending litigation, and other publicly available information.

Verification of Proposal Contents

The content of a Proposal submitted by a Trade Subcontractor is subject to verification. If Webcor/Obayashi Joint Venture determines in its sole discretion that the content is in any way misleading or inaccurate, Webcor/Obayashi Joint Venture may reject the Proposal.

Appeals Process:

Where a timely and completed application results in a lower rating than is necessary to qualify, an appeal can be made. The Trade Subcontractor may file an appeal by delivering a completed **Attachment 3 - Request for Appeal** to Webcor/Obayashi Joint Venture, no later than five (5) days after the notification date. Without a timely appeal, the Trade Subcontractor waives any and all rights to challenge the decision of Webcor/Obayashi Joint Venture, whether by administrative process, judicial process or any other legal process or proceeding.

If the Trade Subcontractor files a complete and timely Request for Appeal, a review of the appeal shall be conducted so that it is concluded soon after receipt of the Request. The review shall be an informal process conducted by Webcor/Obayashi Joint Venture and will be based upon the information submitted by the Trade Subcontractor in its Request for Appeal. Webcor/Obayashi Joint Venture will notify the Trade Subcontractor in writing of the decision at the conclusion of the review. The decision of Webcor/Obayashi Joint Venture is final and is not subject to appeal or challenge whether by administrative process, judicial process or any other legal process or proceeding.

Disposition of Proposals

All Proposals become the property of Webcor/Obayashi Joint Venture and shall not be returned to the Trade Subcontractor. Once Webcor/Obayashi Joint Venture issues a Notice of Intent to Award the Contract, the contents of all Proposals will be in the public domain and be available for inspection by interested parties, except for sealed Fee Proposals and proprietary information for which Trade Subcontractor properly requests confidential treatment or according to exceptions provided in applicable State or local laws.

7. SCHEDULE AND MILESTONES

A concept schedule is provided for reference only (see Exhibit I). The schedule activities in Exhibit I between the date of the Notice to Proceed and the Completion Date of each Zone should not be assumed to be complete or a binding work plan

8. CONTRACT DOCUMENTS LIST

The Contract Documents included within this Request for Proposal Package are the following:

Document Name	Description	Revision Name	Issue Date
Long Form Subcontract		Rev G	1/4/11
Specifications	Defined in Specification 00 01 10	Rev 2	12/13/10
Request for Proposal Manual		Rev 8	11/18/10
Exhibit A	RFP Package – Contract 301000504	0	XX
Exhibit C	Lien Releases	N/A	07/09
Exhibit D	Sample Certificate of Insurance and Additional Insured Endorsement	N/A	11/18/10
Exhibit G	Trade Subcontractor Payment Requisition	N/A	7/21/10
Exhibit H	Site Specific Safety Plan	0	7/30/10
Exhibit I	Concept Schedule	0	1/7/11

9. EVALUATION PROCESS

Webcor/Obayashi Joint Venture project team will review and evaluate Proposals and will score Proposals in accordance with the criteria and methodology described in this RFP. Trade Subcontractors that receive the highest scores in the selection process will be selected to negotiate an agreement with Webcor/Obayashi Joint Venture.

9.1 Step One: Proposal

9.1.1 Satisfaction of Requirements

Proposals will be evaluated to ensure that the Trade Subcontractor has demonstrated compliance with Section 6 of this RFP. Any non compliant Proposal will be automatically rejected, and the project team will not evaluate the remainder of the Proposal.

9.1.2 Proposal Evaluation and Ranking

Proposals that satisfy the minimum requirements will be scored as follows:

Letter of Introduction and Executive Summary	maximum 5 points
Qualifications and Experience of Trade Subcontractor Firm	maximum 75 points
Proposed Staffing Plan	maximum 25 points
Demonstration Traffic Control Plans	maximum 15 points
References	maximum 10 points

The maximum total score possible is 130 points. The Trade Subcontractors' Proposals will be ranked according to total score. Webcor/Obayashi Joint Venture will short-list those Proposals that meet a minimum score (Finalist Trade Subcontractors). Finalist Trade Subcontractors will be invited to participate in the final selection process. The final selection process may include the submission of additional information and/or participation in an oral interview.

9.2 Step Two: Interview

Webcor/Obayashi Joint Venture may invite the Finalist Trade Subcontractors to participate in oral interviews at a specified time, date, and location. Webcor/Obayashi Joint Venture shall impose a time limit for each oral interview. During the oral interview, the Finalist Trade Subcontractors shall be required to deliver a brief presentation (20 minutes maximum), and will be required to respond to questions, including questions concerning the Finalist Trade Subcontractor's Proposal and presentation. The proposed key individuals of the Finalist Trade Subcontractor's team will be expected to actively participate in the interviews and to respond to questions. Webcor/Obayashi Joint Venture will assign points to each Finalist Trade Subcontractor based on the oral interview up to a maximum of 50 points as follows:

Presentation	maximum 25 points
Responses to Questions	maximum 25 points

At the conclusion of the oral interviews, Webcor/Obayashi Joint Venture will combine the scores for the Proposal and oral interview for each Finalist Trade Subcontractor. The highest-ranking Finalists will be selected to negotiate a professional services agreement with Webcor/Obayashi Joint Venture.

In the event of a tie, Webcor/Obayashi Joint Venture may elect, in its absolute and sole discretion, to break the tie by conducting a tiebreaker between the tied Finalist Trade Subcontractors.

There shall be no binding agreement unless and until approved by the TIPA Board, at its sole discretion. In the event that an agreement cannot be reached with the highest-ranking Finalist Trade Subcontractors, as determined by Webcor/Obayashi Joint Venture in its sole discretion, then negotiations may be entered into with other Finalist Trade Subcontractors in the order of their ranking.

Trade Subcontractor will be notified in writing about their qualification status. Webcor/Obayashi Joint Venture reserves the right to adjust, increase, limit, suspend or rescind the qualification rating based on subsequently learned information. Trade Subcontractor whose rating changes sufficiently to disqualify them will be notified and given an opportunity to appeal that is consistent with the appeal procedures described above.

10. SUBMITTAL PROCEDURES

Five (5) copies of the Proposal, one (1) sealed Fee Proposal, and one (1) CD with the Proposal and the data requested in Section 6.1.4 in PDF, must be received by Webcor/Obayashi Joint Venture by the proposal due date and address noted in Section 2.0.

Beginning on the date this RFP is issued and made available to prospective Trade Subcontractors, there will be no communications concerning this RFP between members of Webcor/Obayashi Joint Venture, the TJPA Board, TJPA staff, other consultants already engaged by the TJPA, or members of the Webcor/Obayashi Joint Venture Project Team and prospective Trade Subcontractors and their employees or agents, except as provided herein. Questions about the RFP may be directed in writing to Webcor/Obayashi Joint Venture. Webcor/Obayashi Joint Venture will consider all questions received by the close of business on the date specified in Section 2, Key Dates and, as appropriate, respond in writing. Any violations of the above restriction will result in the immediate disqualification of the Trade Subcontractor making said contact from further participation in the Program. This restriction will end when contract award notification is made.

Trade Subcontractors shall promptly notify Webcor/Obayashi Joint Venture in writing through the QPD process, if the Trade Subcontractor discovers any ambiguity, discrepancy, omission, or other error in this RFP [See Section 3].

11. STANDARD AGREEMENT PROVISIONS

Following negotiations, the selected Trade Subcontractors will be expected to enter into a subcontract agreement as included within the RFP package. Failure to timely execute the Agreement, or to furnish any and all insurance and other materials required in the Agreement, shall be deemed an abandonment of the Trade Subcontractor's contract offer.

**WEBCOR/OBAYASHI JOINT VENTURE WILL NOT NEGOTIATE DIFFERENT
SUBCONTRACT TERMS (SEE LONG FORM SUBCONTRACT SECTION)**
