Demolition Update

10 DAY LOOK AHEAD: Transbay Demolition and Construction Activities

Friday, January 21, 2011 – Sunday, January 30, 2011

THIS WEEK AT TRANSBAY...

WEEKEND WORK (1/21/11 – 1/24/11): Demolition work will take place to demolish and dismantle the Howard Street overpass between First and Second Streets this weekend. Overhead MUNI lines will be de-energized and removed beginning Friday, January 21, 2011 at 10:00 PM. Jackhammering will begin at 6:00 AM on Saturday January 22, 2011. Demolition and bridge removal will continue 24-hours a day over the weekend in order to complete necessary work during the allowed street closure time frame. Howard Street will reopen on Monday, January 24, 2011 at 5:00 AM.

Work will take place on Saturday, January 22nd, between the hours of 7:00 AM and 5:00 PM. To demolish the West Terminal building using the wrecking ball.

Sewer trenching will continue along Minna Street between the hours of 9:00 AM and 5:00PM Friday and 7:00 AM and 3:30 PM Saturday.

WEEKDAY WORK: Weekday work will take place between Monday, January 24, 2011 and Friday, January 28, 2011. All contractors will work between the hours of 7:00 AM and 11:00 PM.

Work will take place to clean-up and demolish ramp footings on Natoma and process demolition debris from the old bus ramp in the lot between Howard and Natoma Streets (500 Block).

Work to demolish the West Terminal building between Minna and Natoma Streets, using the wrecking ball, will continue for the remainder of the month.

Utilities work will include:

- Continued sewer trenching along Minna Street from First Street towards Second Street between the hours of 9:00 AM and 5:00 PM Monday through Friday.
- Start of underground utilities work on Minna across Second Street.
- Continued water installation work along Beale Street from Mission to Howard Street.
- Continued utilities potholing and water installation work along Howard Street from Beale to First Street.
- Beginning of pothole activities on Natoma Street from First towards Second Street.

STREET AND SIDEWALK CLOSURE: The sidewalk on the east side of Fremont Street will remain closed. Pedestrians must use the west side of Fremont Street until further notice.

Lane restrictions will remain on Minna Street and Natoma Streets between First and Second Street. All affected buildings will be granted full access to their parking garages and loading docks.

Demolition Update

continued from front...

Lane restrictions will remain on both Fremont Street and First Street between Mission and Howard Street between the hours of 9:00 AM and 3:00 PM.

Lane restrictions will be in effect on Second Street at Minna Street between the hours of 9:00 AM and 3:00 PM.

Lane restrictions will be in effect on Howard Street between Beale and First Streets between the hours of 9:00 AM and 3:00 PM.

Lane restrictions will be in effect on Beale Street between Mission and Howard Streets between the hours of 9:00 AM and 3:00 PM.

WHAT TO EXPECT NEXT WEEKEND (1/28/11 – 1/30/11): Utility Relocation work will take place on Howard Street at the intersection of Howard and Fremont next weekend.

Demolition of the West Terminal building using the wrecking ball will continue on Saturday, January 29, 2011.

There is a possibility of continued work on the Howard Street overpass, between First and Second Streets, next weekend. This work will only occur if unforeseen delays impact the work being performed this weekend (1/21/11 – 1/24/11).
