

## NON-PUBLIC RENTAL AND FEE SCHEDULE

### I. Purpose

TJPA's transit center is a more than 1,250,000-square-foot public facility, spread over three city blocks, with four levels above ground and two levels below ground. The facility is designed to serve diverse purposes, including transit, recreation, commercial, and administrative purposes. More than 37,000 people are expected to visit and use the facility each week day when Phase 1 of the Transbay Program is fully operational. At completion, the Transbay Program is expected to connect eight Bay Area counties and the State of California through 11 transit systems.

The primary purpose of TJPA property is to provide a public transportation facility. TJPA expects that TJPA property will also provide an important service for passengers, neighbors, workers, and tourists, providing retail, professional services, commercial outlets, and dining; as well as leisure, recreational, and other amenities.

TJPA may choose to make limited, designated areas and limited uses of TJPA property available to individuals and entities for non-public rentals and uses.

In keeping with its proprietary function as a provider of a public transportation facility, TJPA does not intend, by accepting non-public uses, to convert TJPA property into an open public forum for public discourse, debate, or expressive activity. Rather, TJPA's fundamental purpose is to provide a public transportation facility, and TJPA accepts such non-public uses as a means of generating revenue to support its primary functions.

In furtherance of this discrete and limited objective, TJPA retains control over the nature of non-public uses of TJPA property. TJPA finds that certain restrictions on non-public uses will allow the TJPA property to fulfill its primary function as a public transportation facility; guard the health, safety, and security of the public; and promote revenue generation for the Transbay Program. Among other things, non-public uses shall be consistent with TJPA's goals to:

- (1) Prioritize the public transit purpose of TJPA property, TJPA programming designed to engage and serve the public, and public access to TJPA property over non-public uses.
- (2) In light of the public investment in TJPA property, and to minimize the need for public sources to pay for operations, ensure at least full cost-recovery from non-public uses of the facility and, where appropriate, maximize revenue from non-public uses of TJPA property.
- (3) Maintain a safe and welcoming environment for passengers using TJPA property and riding the public transportation systems that use TJPA property.
- (4) Maintain TJPA's position of neutrality on issues not directly related to the Transbay Program, and avoid the appearance of the TJPA's involvement in favoring or opposing political parties, issues, or candidates.

## **II. Non-Public Rentals**

Non-public rentals include events sponsored by any entity other than TJPA, and which are closed to the public, invitation only, or open to the public only with purchase of a ticket or payment of an entrance fee, and where the renter has the temporary right to exclude the public from the rented space. Proposed events and activities sponsored by any entity other than TJPA but which are free and open to the public are separately regulated under TJPA's promotional platform. Spaces available for rent under TJPA's retail and pop-up leasing program are separately regulated by TJPA.

### **A. Spaces Available for Rent**

TJPA has determined that the following areas of TJPA property may be available for non-public rent at the rental rates described herein, and subject to such other terms, conditions, and requirements as may be specified by and in the discretion of the Executive Director:

- (1) Amphitheater in Salesforce Park, and
- (2) Café Pad in Salesforce Park.

At this time, no other portions of TJPA property are available for non-public rental. TJPA may evaluate whether other portions of TJPA property are viable options for non-public rentals in the future, and TJPA reserves the right to change this determination in its sole discretion.

The specified TJPA property is generally available for non-public rental on a first-come, first-served basis, based on satisfaction/completion of all TJPA prerequisites (including contract signed and payment received). Notwithstanding the foregoing, TJPA expressly reserves the right to restrict or prohibit non-public rentals during such periods, on such days, or at such times that the Executive Director determines would conflict with TJPA's objectives to prioritize the public transit purpose of TJPA property, TJPA programming designed to engage and serve the public, and public access to TJPA property.

**B. Rental Rates**

TJPA has determined that the following rental rates apply to non-public rentals of TJPA property:

<b>Amphitheater in Salesforce Park Rental Rate</b>

TJPA reserves the right to revise the above rental rates in its sole discretion. TJPA anticipates that the TJPA Board will update the rental rates each fiscal year.

**C. Fees and Expenses**

The non-public rental rates specified above include basic building services but do not include labor, insurance, equipment, security, and other charges. In addition to the above rental rates, TJPA charges the following fees and expenses:

TJPA may charge additional fees and expenses as necessary to ensure full cost recovery associated with any non-public rental as specified by and in the discretion of the Executive Director. Such fees and expenses may include, but are not limited to: damage deposit; actual time of TJPA labor at established hourly rates, which may include overtime, night, weekend, or holiday rates (e.g., facility and event managers, engineers, laborers, electricians, security staff, sound monitors, janitorial, landscaping/grounds, dock master); services provided by/incurred by TJPA associated with the event to the extent the usage exceeds standard amounts or amounts specified above (e.g., waste disposal, electricity, water, security, Wi-Fi); equipment provided by TJPA associated with the event; special requests such as specialty lighting; and repair of damages associated with event.

TJPA may also impose conditions and requirements on non-public rentals which may result in additional costs for the permittee (e.g., requirement to maintain insurance; requirement to contract with Emergency Medical Technician; requirement to secure necessary permits; requirement to hire private security).
